

Time and Date changes for the Samsung DCS, iDCS, and Officeserv phone systems.

This is the procedure for setting the time and date on your phone.

STEP 1 Push the GREEN transfer key. (Leave handset down)
(Transfer key is not GREEN on some newer models)

STEP 2 Dial 200

STEP 3 Dial 1234

STEP 4 Press any volume key one time.

STEP 5 Press speaker, dial 505

STEP 6 Enter new time and date
(wmmddy:hhmm)

W= Day of the week, Monday is 1, Tuesday is 2....

Time is Military time, 1pm = 13:00 hours.

STEP 7 After the beep press the **GREEN** transfer key again and.....Your Finished !!!!!!!
